# 1 INTRODUCTION

Tourism has emerged as one of the largest industries and a key economic driver across the world. The World Travel and Tourism Council (WTTC) in its annual research revealed that in 2018, travel and tourism accounted for 10.4% of the global GDP and 319 million jobs, i.e., 10% of total employment worldwide. A vibrant tourism sector is an important indicator of a healthy economy. Tourism has an important role in achieving the 17 Sustainable Development Goals (SDGs) set by the United Nations.

Tourism and its allied sectors of travel and hospitality have emerged as key drivers of growth among the service sectors of India. As per WTTC's *Economic Impact 2018 – India* report, travel and tourism contributes to 9.2% of India's total GDP, positioning the country as 3<sup>rd</sup> among 185 countries in terms of the sector's overall contribution to the economy.

The Government of Karnataka acknowledges the importance of tourism sector and has identified it as a priority sector of the State. Karnataka has seen immense growth in domestic tourist visits, growing from 36.7 million in 2006 to 215.03 million in 2018. The State attracts nearly 12% of overall domestic tourist visits in India, placing it third among Indian states. Karnataka also saw over 5.4 lakh foreign tourist arrivals in 2018, ranking the State 11<sup>th</sup> for FTAs in India. In 2019, Karnataka's tourism sector contributed 14.8% of the State's GSDP and provided for over 30 lakhs jobs through direct and indirect employment.

Karnataka offers a multitude of tourism opportunities, living up to the promise of its brand **"One State, Many Worlds"**. The state's pleasant climate, cosmopolitan culture and highly responsive administration make Karnataka an excellent destination for businesses to set up and flourish. The State's tourism destinations encompass a wealth of tourism products across a range of themes including heritage, culture, ecotourism, spiritual, adventure, coastal, wellness, rural, and urban.

Karnataka is a land with rich cultural heritage and many natural gifts. The State is proud to host 3 UNESCO World Heritage Sites – Hampi, Pattadakal and the Western Ghats of Karnataka. Additionally, four other sites – Aihole-Badami-Pattadakal, Kalaburagi-Bidar-Vijayapura (Deccan Sultanate), Srirangapatna, and Belur-Halebidu are on the tentative list of World Heritage Sites. The State has over 600 ASI-protected monuments and over 840 State-protected monuments as well as several devotional sites of spiritual and cultural importance.

Karnataka also has an abundance of flora and fauna with 5 National Parks –and more than 30 Wildlife Sanctuaries and Tiger Reserves. Karnataka is home to more than 550 species of birds and over 100 species of mammals. The natural beauty of Karnataka extends to about 17 picturesque hill stations and 40 magnificent waterfalls, making the State one of the best Eco Tourism destinations in India.

Karnataka's 320 km long natural coastline covering Uttara Kannada, Udupi and Dakshina Kannada districts has some of the best beaches in the country and the State has immense potential for development of coastal tourism.
